

## Public Scoping Comment Form

We need your input. Please take a few minutes to provide your comments or questions for the USDA RUS Federal review process and return your completed comment form today or mail by September 21, 2009. Thank you.

Which meeting did you attend?

*Blanco H. Gonzalez*

Please check the following issues that are important to you for transmission line siting.

- |  |   |
|--|---|
| <input checked="" type="checkbox"/> Project Purpose and Need             | <input type="checkbox"/> Historic and Cultural Sites      |
| <input checked="" type="checkbox"/> Visual / Aesthetic Resources         | <input type="checkbox"/> Radio or Television Interference |
| <input type="checkbox"/> Proximity to Residences                         | <input type="checkbox"/> Noise                            |
| <input type="checkbox"/> Land Use (Agriculture, Residential, Recreation) | <input type="checkbox"/> Health and Safety                |
| <input type="checkbox"/> Water Resources (Floodplains, River Crossings)  | <input type="checkbox"/> Biological Resources             |
| <input type="checkbox"/> Other: _____                                    |   |

If you own property in one of the proposed corridors, please indicate all the existing uses of your property below:

- |                                      |                                      |  |
|--------------------------------------|--------------------------------------|--|
| <input type="checkbox"/> Agriculture | <input type="checkbox"/> Residential | <input type="checkbox"/> Conservation Easement                 |
| <input type="checkbox"/> Commercial  | <input type="checkbox"/> Industrial  | <input checked="" type="checkbox"/> Other: <i>Natural Park</i> |

Please provide your comments on the proposed project in the space provided below:

*The Possible (Purple) Corridor Course Turn  
to follow ~~US~~ COCO 150 toward  
the Sand Dunes.*

*This is the major route for our 300,000  
visitors.*

I-024-001

*As with US 160, placing a large line  
between the Highway & A major Mountain  
Special to most residents would detract  
from the VISIT & photographic opportunities  
likewise the view of the Valley from COCO #150*

I-024-002

*is spectacular - This US 150 route is  
not wise from a tourism satisfaction  
standpoint*

### I-024-001: Visual and Aesthetic (In Review)

Your email/letter/comment form has been received and your comment noted. Potential impacts to visual and aesthetic resources from the proposed project and mitigation measures will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.

### I-024-002: Socioeconomic Resources (In Review)

Your email/letter/comment form has been received and your comment noted. Potential impacts to social and economic resources from the proposed project and mitigation measures will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
